THE SOLUTION

THERE IS A PATH TO ALBERTA INDEPENDENCE.

The Citizen Initiative Act Requires:

- » Physical Signatures of 10% of the voting population (approx. 177,000 Albertans) within 120 days.

Alberta Prosperity Project has developed a strategy to register your intent to vote "YES" on a referendum to establish Alberta's sovereignty.

Once achieved, this will allow quick and easy collection of signatures within the 120 days and trigger The Citizen Initiative Act with Elections Alberta.
