

ALBERTA PROSPERITY PROJECT

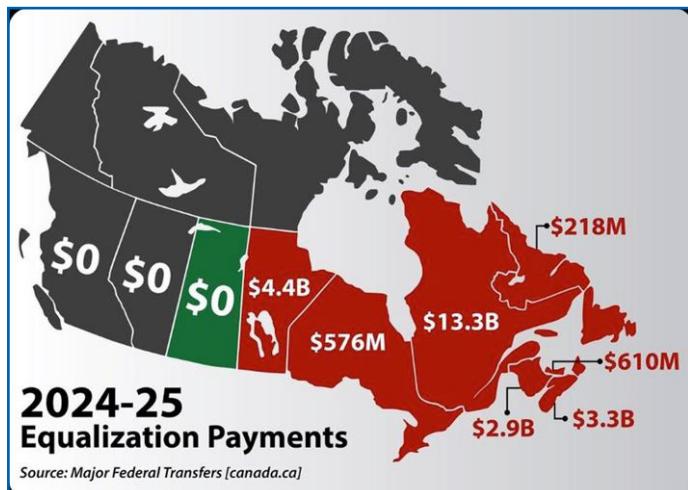

THE REFERENDUM MOVEMENT FOR A SOVEREIGN ALBERTA

THE CASE FOR CHANGE

- Alberta has been treated as a resource colony by Ottawa since 1905.
- Our wealth fuels Canada, while Ottawa undermines our industries, prosperity, and self-determination.

HISTORICAL INJUSTICES

- 1904: Clifford Sifton planned Alberta as a subservient colony.
- 1980 NEP: Marc Lalonde admitted it was designed to stop Alberta from becoming an economic power.
- Today: The imbalance continues—and worsens.

DID YOU KNOW?

- Albertans pay \$60B in federal taxes annually. We get only \$27B back.
- We overpay into CPP (\$3B/year) & EI (\$1B/year).
- Since 1965, we've contributed \$700B through equalization & NEP—with no return.

THE ENERGY TRUTH

- Ottawa plans to shut down Alberta oil & gas by 2035.
- Canada imports oil from countries with worse standards than Alberta.
- Over 1,600 climate scientists, including Nobel laureates, say “There is no climate emergency.”

FEDERAL THREATS TO FREEDOM

- Ottawa's agenda includes:
- Digital ID
- Programmable currency
- Social credit score
- Censorship & misinformation laws

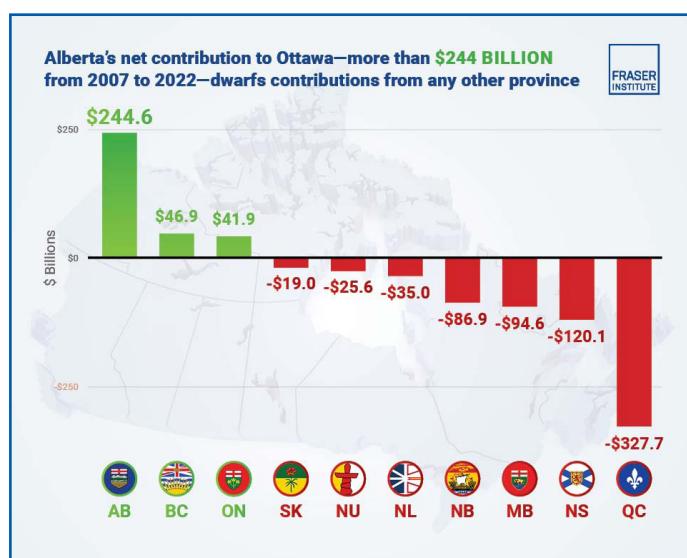

BILLS HARMING ALBERTA:

- Bill C-69: Blocks pipelines
- Bill C-48: Tanker ban (West only)
- Bill S-243: Blocks oil & gas investment
- Carbon Tax: Ruled illegal in AB, upheld by PMO-appointed Supreme Court

THE PATH TO PROSPERITY

THE CONSTITUTIONAL WALL

- Reforming the Constitution requires:
- Support of 7/10 provinces (50% population)
- Support in House of Commons & Senate
- Overcoming Quebec's veto
- Approval by a PMO-appointed Supreme Court

IMPOSSIBLE WITHOUT LEVERAGE

THE SOLUTION: THE CLARITY ACT

- The Clarity Act gives Alberta the legal right to negotiate a new relationship with Ottawa—but only if a referendum is held.
- A YES vote empowers Alberta to negotiate the terms of secession.

WHAT YOU CAN DO

Together, we can take control of Alberta's future:

- Register your intent to Vote "YES"
- Help us **exceed** 200,000 Albertans
- Push for a referendum ASAP

THE TIME IS NOW

We want our Alberta Legislators to openly discuss and represent these ideas for their constituents futures.

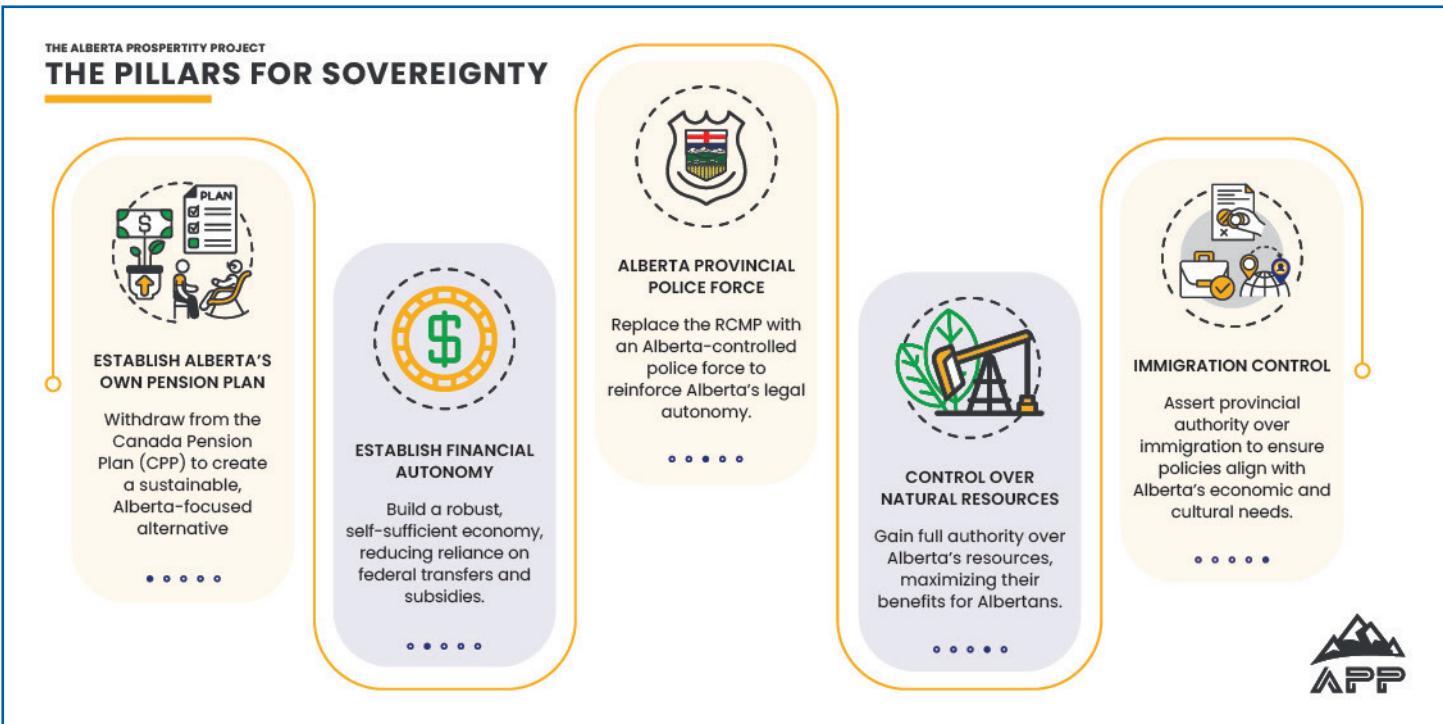

Do you believe in Alberta's right to self-determination?

Are you tired of federal overreach?

Then be part of the solution.

Vote YES to Alberta's Sovereignty.

- No More! Ottawa control.
- Yes! To Alberta's Future.
