The first step is to vote 'YES' for a Referendum.

1. Alberta becomes the most free and prosperous nation in the world to live, work, raise a family, or start a business.

2. Alberta becomes the lowest taxed and highest GDP per capita nation in the world.

3. Pensions, Old Age Security and Veterans Benefits are secured and markedly enhanced.

4. First Nations participate as 'Equal Founding Partners'.

5. Worker's rights are protected, and all businesses are allowed to thrive, especially Alberta's resource sector.

6. Social programs are compassionate and effective.

7. Healthcare and education systems are restructured to the highest quality.

8. Every Albertan and their family enjoy an enhanced quality of life and standard of living with reduced taxes.

9. All property rights are definitively protected.
